

LORD,

With all the **death** and **negative effects** and distractions from the **COVID-19 plague**, and **recent civil unrest** in **American cities**; millions of Americans are of the belief we are arriving upon one of the most important inflection points in our Nation's history. Millions of Americans share that belief on **both sides** of the political spectrum, but for **very different** reasons.

With all that as a backdrop the question for this Nation's voting electorate is; have voting Americans received **100% factual** information to make such important voting decisions in the upcoming General election on **Nov. 3rd**. Unfortunately, we know all too well the **Evil One** is at work. It is for that reason we turn this election over to **YOU ALMIGHTY FATHER**, and ask for **YOUR HELP** in guiding Americans to do **YOUR ALMIGHTY WILL**.

YOU LORD are our **first priority** above any **political party!!**

We believe **LORD, YOU** have us here for **YOUR** reasons and purposes at this time in America's history to do **YOUR WILL**, and for **YOUR GLORY!!**

So please **GOD**, we ask for **YOUR GUIDANCE** in leading us to **peacefully stand together** to protect the **"free will"** and **"freedoms"** **YOU** led our forefathers, and our founding fathers to find, in forming our Constitution, as well the millions of others before us who have stood to protect those **GIFTS** throughout our Nation's history.

In the coming days, we pray that **YOU** would lead us to the people running for public office who are truly:

- **One with YOU** in their own hearts!!
- Who will **protect** the **Sanctity of Human Life**, and
- Who will **protect** our Religious Freedoms, and
- Who will stand and **protect** our Constitution, the way it was written.

All this **LORD** so we can preserve that **Gift of Freedom** that **YOU** gave us, and **"We the People"** have known from our **Constitutional** beginning. We pray that we might successfully accomplish what those who have done before us, and pass that **torch of freedom** to our kids and grandkids.

May the blessing given to **all Americans** by **YOU** to form this Republic peacefully stand together to be vessels for **YOU**, and to carry out **YOUR ALMIGHTY WILL** in protecting what **YOU** have given us, our **FREEDOM!! A Republic, we pray we can keep it!!**

All Glory to YOU LORD.

"In Jesus' name we pray, Amen"
